### 1. Discover Savannah

First up is the beautiful and vibrant city of Savannah. The city is filled with winding cobblestone streets, elegant antebellum mansions, parks, museums, and art galleries. While in Savannah, visit the city's historic district, ride a horse-drawn carriage and imagine you are living in the 18th or 19th century. Other top things to do include visiting colonial sights such as the Wormsloe Historic Site, or spending time at the Telfair Museum, which is the South's oldest art museum.

2. Relax on Cumberland Island

To take things down a notch and get some much needed fresh air and R&R, head to Cumberland Island to relax on some of the **best beaches in Georgia**. The island is one of the largest of the barrier islands in Georgia. It's packed with lush forests, sandy beaches, roaming wild horses, and history. For history buffs, the island was originally inhabited by Native American peoples around 4,000 years ago before becoming a working plantation, home to hundreds of African slaves, in the 19th century.

3. Explore the Blue Ridge Mountains

The Blue Ridge Mountains are thought to be the US' answer to Switzerland — and they are truly stunning. The rugged mountain range is home to hiking and biking trails, ancient woodlands, and waterfalls. Within the Blue Ridge Mountains is the Chattahoochee National Forest, where visitors can go horseback riding, take a dip in waterfalls or go on a treetop canopy adventure. There's also a famous railway running through the mountains with a train to hop on for amazing views.

If you're looking to spend time in a buzzing city with some of the country's best nightlife, head to Atlanta. The city is filled with bustling urban life, fun clubs, bars, and live music venues. Atlanta is also home to Georgia's famous aquarium, home to over one hundred thousand animals.

6. See the Murky Okefenokee Swamp

A visit to the Okefenokee Swamp is like taking a step into a prehistoric era. The swamp is populated with tons of alligators, and its murky waters are mysterious and intriguing. The swamp is also home to carnivorous plants and rare birds. You can take boat tours of the swamp's original Indian waterways, walk beside the park's lily-lined decking, and explore its jungle-like forests.

8. Visit the Ocmulgee National Monument

The Ocmulgee National Monument is dedicated to all the human inhabitants of the Macon area who have lived there. The area is thought to have been inhabited for over 12,000 years. American Indians first came to the site during the Paleo-Indian period when they were hunting Ice Age mammals; the land then changed hands between many different American Indian cultures over the years. In more recent centuries, important Civil War battles took place here, which you can find out more about while visiting.
